2020-09-24 18:21:44 UTC	Kirstan Knowlton	craig stockwell I agree, the access to information and resources since the pandemic has been such a welcomed shift.

2020-09-24 18:24:59 UTC	Sophie Barksdale	Craig, that expanded access has been the silver lining to this pandemic. It's presented so many opportunities to attend conferences (such as this), access film festivals, view theatre, dance productions etc that we wouldn't have been able to attend in person from rural Wyoming. I hope it continues.

2020-09-24 18:26:37 UTC	craig stockwell	Sophie I suspect so much of it will, and how it will dramatically affect education as well.
